Mississippi State Board of Optometry Now Renewing Licenses Online

Jackson, Miss. – October 14, 2016 – The Mississippi State Board of Optometry (MSBO) now offers online license renewals, just in time for renewal season, which is from October 1st to December 31st.

MSBO licensees can visit www.ms.gov/msbo/license_renewal and enter their license number, last name, and date of birth to quickly begin their annual Optometry License renewal. The secure system boasts a streamlined and mobile-friendly design allowing licensees to complete their online renewal from any mobile device for the first time. This convenient online renewal system has made it easier than ever to conduct business with the Board of Optometry.

“We are happy to provide a modernized process to our optometrists, and look forward to a smooth renewal season,” said MSBO Executive Director Beverly Limbaugh. “Moving forward, this digital renewal system will fully replace our outdated paper mail-in system, allowing for faster licensing turnaround.”

The MSBO renewal application joins over 160 convenient services created for the state of Mississippi through its digital government partnership with Mississippi Interactive, which began in 2010.
